and Kasey Edgerton.

Curated and Built by:

Nichole Shinn (@spacelionz)

Please Download These Works!

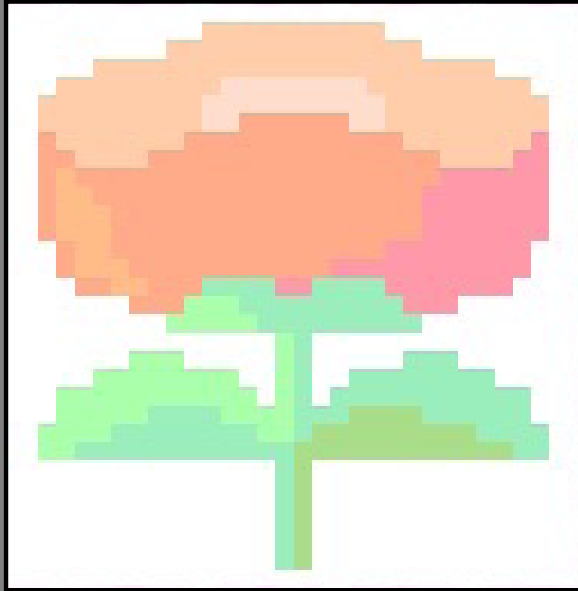

All Works are available for free download using either QR code or using the in-game Nook terminal. Some artists don't have an online account, hence the QR Codes.

Our hope is to spread this art to as many islands and villagers as possible.

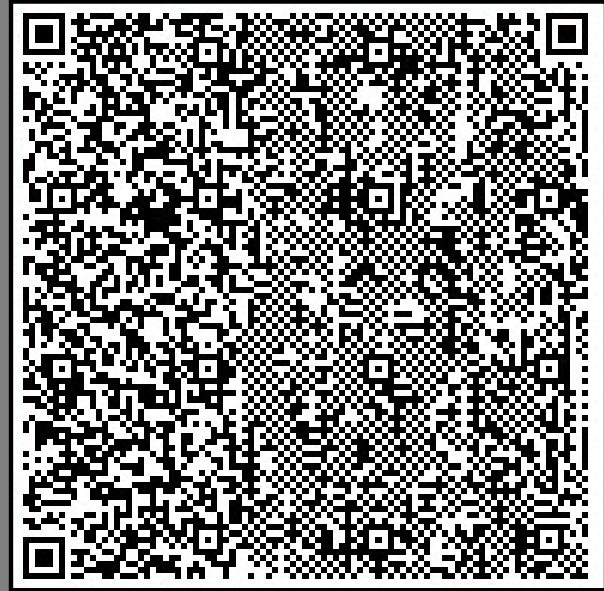

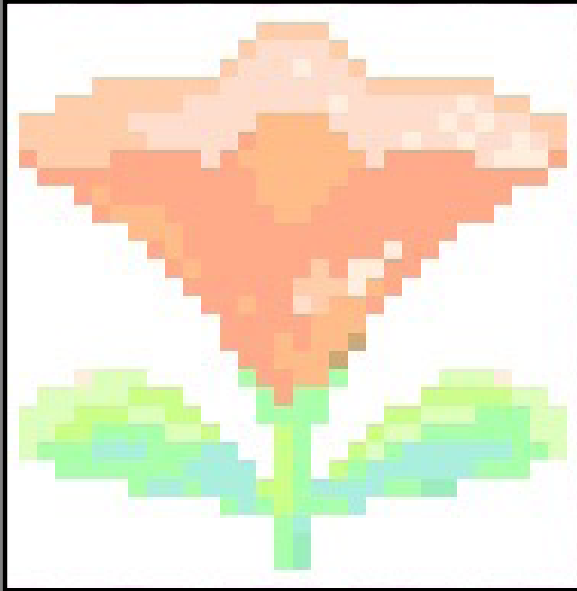

If you download any and hang them in your house, tag @txtbooks and any respective artist using their insta details in this PDF :)
